

## How do I view obligated and anticipated funds for a grant?

1. Search for a grant from either the GMAS homepage or by clicking [Advanced project search](#). Navigate to the Segment homepage.
2. Scroll down and to view the <Dates and Dollars> component.

**Dates and dollars**    ■ anticipated start date 07-15-1999 | anticipated end date 06-30-2006    [Open](#) ▼

The information on the component bar is high-level.

3. To get more information, click [Open](#) ▼. Now you can view all the budget periods, the obligated amount, anticipated amount, expenses and remaining balance. Remember: the obligated and anticipated amounts are those set by the sponsor via an award notice. These are the same figures that appear on action memos.

To view more detailed information, click [Dates and dollars](#).

4. This brings you to the Dates and Dollars screen which provides detailed information including budget status, any issued subagreements, a comparison of account and awarded dollars, and a comparison of GL budget vs. expended funds. Remember: the GL budget is uploaded using the Sponsored Budget Tool or FASSPAR.
